

# Favar Group Terms & Conditions

## General Introduction

Favar Group operates as an online marketing self-service platform that empowers users to conceive, construct, and promote their digital advertising campaigns independently.

By engaging with Favar Group's services, users commit to exonerate, shield, and indemnify Favar Group, alongside its directors, officers, and shareholders, from any unauthorized access or breach that may arise. This includes, but is not limited to, the following scenarios:

1. Any misrepresentation or violation of any representation, warranty, covenant, or commitment made by the user within these Terms and Conditions or in any related declaration, representation, warranty, covenant, or commitment.
2. Any misrepresentation or breach of any representation, warranty, covenant, or undertaking presented by the user through information provided to Favar Group.
3. Any infringement upon the privacy rights or reputations of any individual, encompassing acts of libel, defamation, slander, false statements, or any expression that may lead to or has led to legal action.

## Clarification

To eliminate ambiguity, it should be noted that all indemnity obligations and liabilities undertaken by the user are boundless and regardless of the causes that precipitated them. This encompasses preexisting conditions, whether patent or latent, strict liability under any statutory or common law, agreement breaches, torts, and negligence of any party, including Favar Group. This obligation does not apply in cases of willful misconduct by Favar Group.

These indemnification provisions extend to all types of liabilities explicitly covered by them, whether incurred directly by the indemnified parties or indirectly through agreements with third parties. Liability for which indemnification is sought must have arisen from or be incidental to the user's performance of obligations under these Terms and Conditions.

Furthermore, it's important to clarify that all parties, except Favar Group itself, who may become indemnified parties, shall be considered third-party beneficiaries of these Terms and Conditions solely for the purpose of enforcing any indemnities intended for their benefit.

## Section 1: Definitions and Interpretation

## Section 2: Obligations of the User

### 2.1 Know Your Client Process and Anti-Money Laundering Checks

The User acknowledges and accepts that Favar Group is obligated to perform a "Know Your Client Process" ("KYC Process") and conduct anti-money laundering checks ("AML Checks"). These processes necessitate Favar Group to collect the following documents from the User:

- A copy of the User's valid passport or valid identity card, in accordance with International KYC standards.
- A copy of the User's card(s) used for any transactions related to the Services (front side with only the last 4 digits visible, back side with the CVV covered).
- A copy of a recent utility bill (no older than 3 months) in the User's name, clearly displaying the User's address, as per International KYC standards.
- In specific circumstances, additional documents may be requested from the User.

## 2.2 Official Address and Communication

As long as a Campaign is registered for a User, the User must maintain an active email address registered with Favar Group (hereinafter referred to as the "Official Address"). The User hereby provides irrevocable consent to receive notices from Favar Group at the Official Address.

Any notice, declaration, or other communication required or authorized to be sent by Favar Group to a User, transmitted via email to the Official Address, shall be deemed to have been received, opened, and read by the User within 48 hours of sending such an email.

## 2.3 Contact Preferences

Throughout the duration of the User's account with Favar Group, the User agrees to be contacted through various means, including email, telephone, Skype, and text messaging, by Favar Group and, when relevant, by third parties regarding the Services provided by Favar Group.

## 2.4 Service of Judicial and Arbitration Documents

The User explicitly consents to the service of judicial documents and/or arbitration documents, as per the dispute resolution procedure specified in these T&C, to the Official Address.

## Section 3: Creation of Campaigns

### 3.1 Funding the Campaign

To initiate the creation of a Campaign, a User is obligated to add funds to their Favar Group Account. These funds will be utilized by the User for the purpose of creating their Campaign. The User has the discretion to determine the Campaign budget by specifying the cost and the desired number of impressions for each campaign.

### 3.2 Campaign Customization

Utilizing Favar Group's interactive platform, the User is responsible for the comprehensive creation of their Campaign. This includes specifying the campaign name, budget, and duration. Subsequently, the User is required to personally tailor the content, campaign images, and ad placements on the designated websites. It is understood and accepted by the User that they bear full responsibility for the creative aspects and configuration of the Campaign.

### 3.3 Content Guidelines

Favar Group retains the right to remove any Campaign created by a User if it contains offensive or inappropriate language, as determined by Favar Group's content guidelines and policies.

### 3.4 Launching the Campaign

Upon completing the Campaign creation process, the User must click the "save and launch Campaign" button to initiate the Campaign.

I apologize for the oversight. Here's the revised Section 4 on the "Processing of Campaigns":

## Section 4: Processing of Campaigns

### 4.1 Registration of Campaigns

4.1.1 A Campaign shall be officially registered at the moment it is received by Favar Group. The timestamp recorded by Favar Group's system is the sole determinant of the time of receipt.

### 4.2 Campaign Modifications

4.2.1 Once a Campaign is registered, it is immutable. This means that the Campaign cannot be altered, corrected, amended, updated, canceled, or refunded, either in its entirety or in part.

### 4.3 Compensation Rates and Commissions

4.3.1 During the Registration Period, the User will be entitled to receive a pay-per-click rate, the value of which will be determined by Favar Group, but shall not be less than \$0.001 per Qualified Click on a Campaign.

4.3.2 Furthermore, in cases where a product is sold directly as a result of a User's Campaign, a Commission percentage will be calculated in favor of the User. The specific Commission percentage will be determined by Favar Group but shall not be less than \$0.001%.

## Section 5: Limited Rights in a Campaign

### 5.1 No Ownership Rights

The registration of a Campaign to a User does not confer upon the User any ownership rights or titles in the Campaign itself. It grants the User an exclusive right solely to the Campaign's content, or any portion thereof, including, but not limited to, any trademarks (whether registered or not), service marks, trade names, copyrights, licensed rights, or any other intangible assets that may be embedded within the Campaign.

### 5.2 No Rights in Displayed Sites

Furthermore, the registration of a Campaign does not grant the User any rights or titles in any site or sites on which the Campaign is displayed and/or with which the Campaign may be linked, even if such sites are owned by third parties.

### 5.3 Account Credits

The User acknowledges and explicitly agrees that Click Payments and Commissions will be credited to the User's account at Favar Group during the Registration Period.

## Section 6: Disclaimer of Responsibility for Misuse and External Actions

### 6.1 User Responsibility and Accountability

Favar Group firmly believes in promoting responsible and ethical use of its services. While we provide a platform for creating and managing online advertising campaigns, it is imperative to understand that the responsibility for the content, actions, and consequences of these campaigns lies solely with the User.

## 6.2 Third-Party Interactions

Favar Group may recommend or facilitate the use of third-party software, information, products, or websites through hyperlinks or other means to enhance your access to valuable resources. However, we want to make it clear that any interactions or transactions you engage in with these third parties are entirely independent of Favar Group. We do not endorse, approve, or guarantee the services, products, or information provided by third parties, and we are not liable for any loss or damage incurred as a result of using such resources.

## 6.3 Limitation of Liability for User Actions

Favar Group provides its website and services "as is" and "as available." While we strive to maintain a secure and ethical environment, we cannot be held responsible for the misuse or wrongful actions of Users on our platform. This includes, but is not limited to, any violation of these Terms and Conditions, applicable laws, or regulations.

## 6.4 Third-Party Resources

When you access third-party resources recommended or facilitated by Favar Group, you do so at your own risk. These third-party resources may have their own terms, licenses, privacy policies, and security practices that differ from ours. It is your responsibility to familiarize yourself with these terms and policies as they will govern your use of those resources.

## 6.5 No Endorsement or Warranty

Favar Group does not endorse or guarantee the accuracy, safety, or suitability of third-party resources, and we make no representations or warranties regarding the quality or reliability of their services, products, or information. Any use of third-party resources is done at your own discretion and risk.

## 6.6 Independent Decision-Making

We emphasize that online businesses, earnings, and advertising campaigns involve inherent risks and uncertainties. Decisions based on information presented through Favar Group's services or website should be made with the awareness that you may experience losses or may not achieve the expected results. Only risk capital that you can afford to lose should be used.

## 6.7 Forward-Looking Statements

Favar Group may occasionally provide forward-looking statements or expectations regarding future events, financial performance, or potential earnings. These are opinions and should not be considered as factual guarantees. Your actual results may vary, and there is no assurance that you will achieve similar outcomes.

## 6.8 User Accountability

As a User, you are accountable for your actions and decisions while using Favar Group's services. Any misuse, violations, or improper conduct that may result in harm to others, damage to reputation, or legal issues are your sole responsibility, and Favar Group shall not be held liable.

## 6.9 No Responsibility for Unauthorized Actions

Favar Group disclaims responsibility for any unauthorized actions or misuse of its platform by Users. We expect all Users to adhere to our guidelines and comply with applicable laws and regulations. Any actions taken by Users that contravene these principles will not be attributed to Favar Group.

# Section 7: Promotions and Special Offers

## 7.2 Bonus Agreements

In certain instances, Favar Group may extend a bonus offer to a User. The terms and conditions governing these bonus offers will be outlined in a separate Bonus Agreement. If a User chooses to accept such a bonus, they will be required to thoroughly review, accept, sign, and return the Bonus Agreement to Favar Group.

## 17.2 Earnings Estimates

Any earnings or income statements, or earnings or income examples, provided by Favar Group are merely estimates of what is possible and represent earnings achieved by some individuals. There is no guarantee that you will achieve similar results, and you must acknowledge the inherent risk of not performing as well. Claims or representations regarding income earnings on our website should not be construed as indicative of average earnings, and testimonials are not representative.

## 17.3 Forward-Looking Statements

Favar Group's Services or website may contain information that includes or is based upon forward-looking statements, as defined by the Private Securities Litigation Reform Act of 1995 (U.S). Forward-looking statements provide expectations or forecasts of future events. Words such as "anticipate," "estimate," "expect," "project," "intend," "plan," "believe," and similar terms may be used in connection with descriptions of potential earnings or financial performance. These forward-looking statements reflect our opinion of earnings potential and should be considered opinions rather than facts.

#### 17.4 Risks of Online Businesses

Online businesses and the earnings derived from them involve inherent and unknown risks, making them unsuitable for everyone. Any decisions based on information presented in our Services or website should be made with the awareness that you may experience losses or generate no income at all. Only risk capital should be used for such endeavors.

### Section 18: Use of Third-Party Software or Websites

#### 18.1 Recommendation of Third-Party Resources

### 19.3 Exclusion of Damages

Without prejudice to the limitation of liability contained in any provision of these T&C, in no event shall Favar Group, its directors, officers, shareholders, employees, agents, or affiliates be liable to any User for any lost profits, lost business opportunities, or any other direct, indirect, incidental, special, punitive, or consequential damages whatsoever, arising out of or related to these T&C, even if Favar Group has been advised of the possibility of such damages.

### 19.4 Specific Exclusions

Without derogating from the general disclaimer provided in the T&C, in no event shall Favar Group, its directors, officers, shareholders, employees, agents, or affiliates be liable to any User for any direct, indirect, incidental, special, punitive, or consequential damages resulting from any of the following occurrences:

## Section 20: Dispute Resolution

### 20.1 Binding Arbitration

The User agrees irrevocably that any dispute related to a Registered Campaign or otherwise connected to these T&C shall be resolved through binding arbitration, rather than in a court of law. These T&C and any disputes arising between a User and Favar Group shall be governed by the laws of the United Kingdom, without regard to principles of conflict of laws.

### 20.2 Arbitration Process

Arbitration does not involve a judge or jury, and court review of an arbitration award is limited. However, an arbitrator can award, on an individual basis, the same damages and relief as a court, including injunctive and declaratory relief, statutory damages, and must abide by the terms of these T&C, just as a court would.

To initiate an arbitration proceeding, a User seeking such proceedings must send a written notice requesting arbitration and describing their claim to Favar Group's offices at Favar Group Limited, Stanza, 40 Leadenhall Street, London, EC3M GB. The arbitration will be conducted by the International Chamber of Commerce.

### 20.3 Individual Basis

The User agrees irrevocably that any dispute resolution proceedings will be conducted only on an individual basis and not as part of a class, consolidated, or representative action. In the event that a claim proceeds in court rather than through arbitration, the User waives any right to a jury trial.

## Section 21: Breach

### 21.1 Material Events of Default

A breach by a User of any representation or warranty contained in these T&C shall constitute a material event of default (each an "Event of Default") by such User.

### 21.2 Remedies for Event of Default

In the event of any Event of Default, in addition to and without prejudice to any other rights or remedies available to Favar Group at law, in equity, or under these T&C, Favar Group may, at its sole discretion, choose to take one or more of the following actions:

- Immediately block the account of the affected User, either temporarily or permanently, without any entitlement to a refund of any fees paid by the User.
- Offset any outstanding amounts in the account of the affected User against any damages caused to Favar Group.

### 21.3 Cumulative Remedies

For the avoidance of doubt, the User acknowledges and agrees that no remedy provided by any specific provision of these T&C is intended to be exclusive of any other remedy available at law, in equity, by statute, or otherwise. Except as expressly provided in these T&C, each remedy shall be cumulative and in addition to any other remedy available hereunder, at law, in equity, by statute, or otherwise. Favar Group's election to pursue one or more of these remedies shall not constitute a waiver of its right to seek any other available remedy.

## Section 22: Copyright and Trademark Notices

All contents of the Services provided under these T&C are copyrighted by Favar Group. All rights reserved. Other brand names, product names, and company names may be trademarks or service marks of their respective owners.

It is the User's responsibility to ensure proper compliance with any law, regulation, or guideline in their country of residence concerning the use of Favar Group Services. For the avoidance of doubt, each User explicitly acknowledges that the ability to access Favar Group Services does not necessarily imply that the Services provided by Favar Group and/or the User's activity through Favar Group is legal under the laws, regulations, or directives relevant to the User's country of residence.

## Section 24: Binding Agreement

By signing up to Favar Group, creating an account at Favar Group, or issuing a Campaign, each User acknowledges and agrees that these T&C constitute a legally binding agreement between each User and Favar Group.
